HI FWA SHARER!

Want to submit your story but don't know how to go about it?
Don't worry. Here's a story template just for you!

TITLE OF MY STORY

I would like to talk about this part of my life. It is both challenging and inspirational. Since I'll be talking about myself, here is a brief background on who I am as a person. Alternatively, if I'll be talking about my marriage partner or family member, I will include details of my relationship with this person, and include a brief background on them as well.

Here is the start of my experience with this particular thing. I was having a hard time then, but I didn't know yet that it could possibly take a turn for the worse.

In the third paragraph, I will write about the hardest part of my/our experience. Here are a few more details on what I felt during this time. Along with that, here are some lessons that I am learning with the experience.

But don't worry, I was able to overcome it, or at least am overcoming it. This is how I'm doing it. This experience has been extremely valuable to me, for many reasons. I am citing those reasons here. I hope it has also helped or blessed you, the reader, in some way. Despite my own difficulties, here's to living more positively!
